

POZDRAVLJENI OSMOŠOLCI!

Upamo, da ste vsi zdravi in pripravljeni na nov delovni teden. Pogrešamo vas in si želimo, da se kmalu vidimo tudi v živo.

NOVO: v priponkah lahko poslušate našo razlago snovi za čas **Present perfect** in **besedišče Achievements**.

Kljub temu, da se že več kot mesec dni nismo videli in da vas vsak teden pozivamo, da se nam javite, vas je še vseeno kar nekaj, ki se nam še sploh niste javili in sporočili kako teče delo, koliko časa porabite, kaj vam povzroča preglavice, česa bi si želeli, prosimo da to **čimprej** storite.

Za ta teden smo vam pripravile preverjanje znanja. Opravite ga natančno, temeljito in pošteno do same/ga sebe. Preverjanje si lahko natisnete in rešite ali pa gledate na računalnik/telefon naloge in pišete rešitve kar v zvezek. Naslednji teden dobite rešitve in si boste preverjanje natančno pregledali in popravili.

Vabimo vas tudi k opravljanju **angleške bralne značke**. Štiri prebrane knjige pomenijo opravljeno bralno značko. Bralni listi se nahajajo v spletni učilnici, povzetke lahko zapišete v zvezke, jih poslikate in pošljete. V kolikor knjig doma nimate, se lahko lotite e-knjig. Nekaj povezav najdete v spletni učilnici za angleščino.

V kolikor si želite **več angleščine**, vabljeni v spletno učilnico (ključ: London). Tam se nahajajo tudi druge uporabne povezave (bralni listi, povezave do e-knjig ipd).

Andy Lean, a professional runner

Andy Lean is a professional runner. He can run long distances, but he has had to sacrifice quite some of his free time hours for that.

Let's just take one of his average days as an example: he has to get up early. He exercises for an hour, then he has to go to work. He can't sleep at work, of course, he must work hard - he's a Physical Exercise teacher. He takes part in different games and exercises with his students. He may be a good runner, but he can't play basketball or volleyball as good as some of his students. After work, it all depends on his plans, but he always exercises for at least two hours in the afternoon.

Two days ago his girlfriend had her birthday. He couldn't find a good present at shops, so he bought her a ticket for bungee jumping (and one for himself, of course). She was so happy! So he had to take her to the bungee-jumping bridge the very next day. He could see that she was nervous, but just couldn't wait to jump! He was a bit afraid of the height, but had to make a brave face and jumped. They both loved the experience.

However, he hasn't been able to lose a pain in his leg since the jump, so he will have to go to his doctor. He won't be able to run well if the leg is not all right. He hates the idea of going to the doctor: he knows that he will have to wait to see him for an hour. Brrr... he is not a kind of person who would be able to sit still for five minutes, so an hour seems like forever!

Still, he hopes he will be better by the end of next week. He will have to run a marathon then!
