

POUČEVANJE NA DALJAVO - 4. RAZRED – ANGLEŠČINA

(14. 4.-17. 4. 2020)

POŠ PONIKVA

Pozdravljeni, moji četrtošolci!

Zopet se začenja nov teden in zopet upam, da smo vsi zdravi! Mineva že mesec dni, odkar smo se nazadnje videli. Moram reči, da učiteljice pogrešamo pouk v živo in čas z vami, čeprav je pouk na daljavo dobro stekel in po vaših odzivih pri delu nimate večjih težav.

Da bi bilo vaše delo na domu za angleščino čim lažje in čim bolj uspešno, vas prosimo, da do nedelje, 19. 4. 2020, rešite kratko anonimno anketo, ki je na povezavi:

<https://www.1ka.si/a/270592>

Še vedno sem vesela povratnih informacij o delu na moj elektronski naslov (v besedi ali sliki), saj tako beležim vaš napredek.

Tudi v tem tednu vabljeni k rubriki **SAM-A ŽELIM VEČ ANGLEŠČINE** 😊.

Pazite nase in ostanite zdravi!

Your English teacher Tanja
