

**Dragi moji prvošolci!**

**Za ta teden sem vam pripravila zgodbico o žabji družini. Prosite starše ali starejše brate oz. sestre, da vam zgodbico preberejo, lahko pa si jo seveda pogledate in jo poslušate tudi na povezavi, ki sem jo pripela spodaj. Da boste zgodbico lažje razumeli, sem vam na naslednji strani pripravila sličice besedic.**

**Če imate doma tiskalnik, vam starši lahko sličice natisnejo, vi pa jih boste pobarvali in nalepili v svoj angleški zvezek. Če tiskalnika nimate, nič hudega. V svoj zvezek lahko vse te sličice narišete sami. Ne pozabite v zvezek napisati naslova zgodbice.**

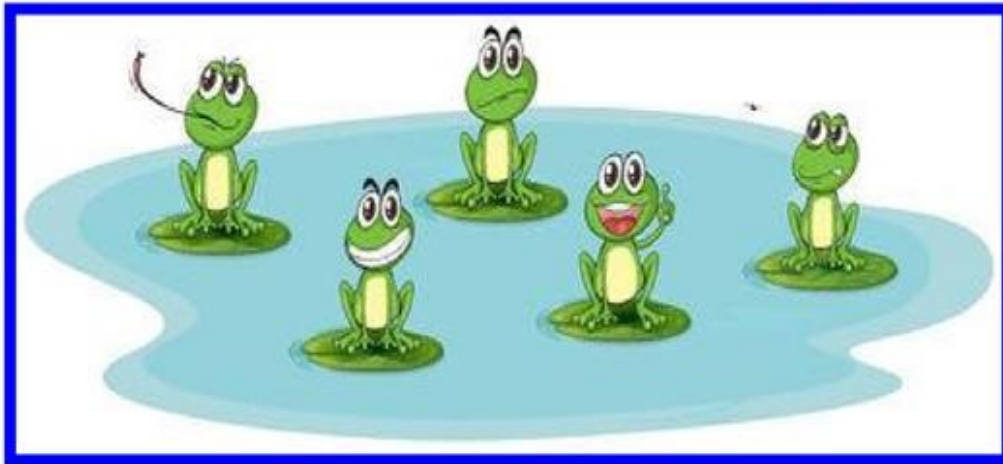

**In za konec še ena gibalna naloga. 😊**

**Zgodbico lahko seveda poslušate večkrat in po vsakem poslušanju naredite 10 žabjih poskokov. 😊**

**Če pa imate možnost, se v tem tednu sprehodite še do kakšnega ribnika in preverite, če morda lahko najdete žabji mrest. Pa veliko žabje zabave vam želim!**
